Face Sensing Project Sharing Sheet

Creator's Name: _____

Project Title: _____

How is the project expected to work? What should users try? **Leave any instructions as to how to interact with your project.**	
What is something you are looking for feedback on? **What question would you like to ask viewers of your project?**	
Creator's Reflection	
What did you like about creating this project?	
What challenges came up for you? Were you able to fool the AI? How?	
If I had two more days, I would add…

Peer User Feedback

See the instructions on the first page and what the creator is looking for feedback on. Try running the program. Feedback could include:

- Did the project work as the creator expected? Did anything unexpected happen? Did anything surprise you?
- Did the project react differently to different faces? Were you able to fool the AI? How?
- Is there anything you would add or change if you remixed?
